

Prepare Your Property for the Next Season

INTRODUCING THE DEEP CLEAN SERVICE

Hi there,

As the busy season comes to an end, it's the perfect time to give your unit the attention it deserves, beyond the regular turnover cleans.

We are now offering our **Deep Clean Service**, designed to fully restore your property and prepare it for the upcoming season. While our departure cleans focus on making the unit guest-ready, a Deep Clean goes much further, targeting every corner, surface, and detail to bring your unit back to top condition.

What makes a Deep Clean different?

- ✓ Cleaning behind and underneath furniture (where accessible)
- ✓ Detailed dusting of high and hard-to-reach areas, including light fixtures, ceiling corners, tops of shelves, and vents
- ✓ Deep bathroom cleaning, including tiles, grout, and mold treatment
- ✓ Full kitchen detailing, including appliances, cabinets, and grease removal
- ✓ Detailed cleaning of baseboards, doors, and surface edges
- ✓ Reporting any visible maintenance issues, such as stains, wall marks, or areas where paint touch-ups may be recommended

Flexible Hourly Pricing

\$60 / hour

To ensure the highest quality, this service is charged hourly based on the size and condition of your unit. This allows our team the time needed to achieve the best possible result.

A Deep Clean is not only about appearance. It helps maintain your property's value, prevent long-term wear, and ensure your unit is in excellent condition for future guests.

Ready when you are.
